

Map Quiz 1: The G-20 Major Economies

- The **G-20** is the group of 20 countries that dominate the global economy.
- **They account for about 80% of world economic output, measured by Gross Domestic Product, or GDP.**
- **There are only 19 countries in the G-20.**
- The 20th is the **European Union**.
- **You probably already know most of these. Soon, you will know all of them, and be able to ID them on a world map.**

Map Quiz 1:

The G-20 Major Economies

On a blank map, you will label the 19 member states of the G-20.

The names of the 19 will not be provided.

“Label the 19 countries of the G-20”
